About Me

Hi, I'm Lindsay! I have lived in Kent County for about 3 years, and it feels more like home than any other place I have lived. I have a bachelor's degree in Child and Family Development with a minor in Psychology from Western Michigan University, and I am almost done with my master's degree in Family Science and Services, also from WMU. Go Broncos! Before joining Family Futures, I spent 2 years as a toddler teacher at the YWCA in Kalamazoo and 5 years working with families of preschoolers enrolled in Head Start in Allegan County. I wanted to walk alongside families living in my community and help in any way I can. It takes a village to raise children, and I am so grateful to be a part of that village for the families I work with.
